***DUNS Numbers and Associated Information**

*NOTE: For purposes of this initial application the DUNS number is all that is needed, however if you do receive funding you will need to complete the following information in order to register your agency as an LRO (Local Recipient Organization) DUNS numbers alone are not sufficient for EFSP purposes and neither Local Boards nor LROs can enter this information on the EFSP website. DUNS numbers and associated information are **required** for all Local Recipient Organizations (LROs) receiving funds under the EFSP. Funds **cannot** be released to LROs who have not provided this information. The DUNS information form and instructions are posted under the Local Board and LRO section of the EFSP website. This form (third page under the DUNS tab) must be completed accurately and either faxed to (703) 706-9677/9679 or scanned and emailed through the website at efsp@unitedway.org. Simply providing the DUNS number alone does not fulfill the EFSP's requirements; the form must be completed in its entirety.*
