Thank you for considering donating prizes for the Dove House Benefit Golf Tournament Raffle

The Benefit Golf Tournament, hosted by the PSO Bluebills, is Dove House's largest annual fundraiser. All funds raised at the event go directly towards support for survivors of domestic violence, sexual assault and other crimes.

The Raffle drawing is one of the highlights of the after-tourney reception and your donation is a very valuable part of this fundraising effort.

Recognition & Advertisement: All items displayed during morning registration and during the after-tourney reception have signage with your business name and a description of the items you donated. In addition, your business name is called from the podium when the winning ticket for your item(s) is drawn.

We look forward to hearing from you!
Bekka Bloom, Dove House
